

# Hair Volume™

Hair growth and volume

## Hair Volume™

Hair Volume™ is the tablet which may help maintain a normal voluminous hair growth. The unique bioactive nutrient hair growth factor combination contained in each tablet nourishes and activates the life processes of hair follicle cells. The tablet works from the inside out. The tablet, which is manufactured in Sweden contains micronutrients and herbal extracts including apple extract rich in procyanidin B2. The content of biotin and zinc contribute to the maintenance of normal hair and copper contributes to normal hair pigmentation.

## Apple

The apple extract used in this tablet is naturally rich in procyanidin-B2. The apples are picked, mashed, dried and extracted, so that the desired herbal substance is preserved. This gives a guarantee for a high standardised quality.

**Hair Volume™ is available in either 30, 90 or 180 tablet packs. For more information call 0800 389 1255 or purchase online at [www.newnordic.co.uk](http://www.newnordic.co.uk)**

## RECOMMENDED DAILY DOSES

1 tablet per day with a glass of water.

Food supplements are intended to supplement the diet and should not substitute a varied diet or healthy lifestyle. **Do not exceed the stated dose. Caution:** Seek professional advice before taking if you are pregnant, breast feeding or suffer from allergies. **Warnings:** Not suitable for children under 12 years of age. Not suitable for vegans or vegetarians.
